

12 September 2023

Dear Parents/Guardians

[Secondary 4&5] Term 4 Letter

The school welcomes your child/ward back for Term 4. We hope you and your family have enjoyed the short respite during the one-week September holiday and have spent quality time bonding with one another. As we move into the final term of 2023, we seek your continued partnership in ensuring that your child/ward puts his/her best in learning, participates fully in school life, and prepares well for his/her progression to the next level of education.

Last Day of School and Study Break

The last day of the school year for our graduating cohort is 28 September (Thursday). The school day will culminate in a Graduation Walk where all staff and the other levels' students will send our Sec 4/5 students off with well-wishes for their National Examinations.

Secondary 4E/5N students' Study Break will start from 29 September. This is to provide them the time and space to review and consolidate their learning. We also strongly encourage all students to use this time to reach out to their subject teachers for consultation and clarification. The school will also plan for some students to return to school from 2 to 6 October to provide them with more structured and focused academic support. We seek parents'/guardians' understanding in this matter.

Students' Health and Well-Being

We thank all parents/guardians for working closely with us to ensure that our school remains a safe and conducive place for teaching and learning throughout this year. Should your child/ward be unwell with flu-like symptoms, we strongly encourage that he/she seeks medical help and stays at home to rest.

As we work towards the close of the school year and your child's/ward's education journey with us, we thank you for your steadfast support over the last 4 or 5 years. The staff of OPSS look forward to supporting our students in this final lap of their secondary school education, and we wish them all the best as they continue to persevere onward towards achieving their personal best at the coming GCE 'O/N' Level Examinations. Finally, it leaves us to wish you and your family a fulfilling year-end holiday in advance and many fruitful years ahead.

Thank you.

Yours faithfully

Mr Daniel Chung
Principal
